

# Lesson Information

Riding instruction at Skalkaho Stables spans from basic to advanced horsemanship, and focuses on safe and correct riding starting from the ground up. At each lesson students groom and tack up their horses, ride, and also untack and brush their horses. This is because horsemanship is not just the time we spend in the saddle, but every aspect that goes into keeping a horse. Finally, students get opportunities to learn about both English and Western riding. This way, we will find what they most enjoy and excel in.
